

BRACELET SIZE GUIDE

You may use our ruler to measure your wrist to determine your correct bracelet, bangle or cuff size. Before using the ruler to find your fit, make sure this guide is printed on A4 size paper (210mm x 297mm) and scaled to 100% (**Don't choose Fit to Page** in print setting). To check the accuracy of your printout, place a physical ruler on the printed ruler.

- Cut out the ruler.
- Cut the horizontal red line below the LOCK YUEN logo.
- Wrap the ruler around the circumference of your wrist with the numbered side visible.
- Slip the numbered end through the horizontal opening and pull until the ruler is flush against your skin.
- The number that lines up with the edge of the opening is your wrist size.
